

EXQUISITE™
ONE OF LIFE'S LUXURIES

Success starts
the night before

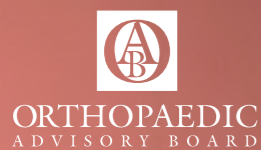

Success doesn't come from what you do occasionally, it comes from what you do every day. At Sealy, we've spent the last 50 years creating innovative sleep technology to help you awaken your best.

How you feel today is an echo of the night before. That's why everything we do is developed to offer a deep, restorative sleep to help you wake up feeling rejuvenated and inspired to take on the world.

Comfort and Science have aligned

Every Sealy mattress is designed and built to meet orthopaedically specified criteria set by the Orthopaedic Advisory Board (OAB), ensuring you wake up feeling alert, energised and ready to take on the day.

Sealy's research and development facility in Australia is accredited by the National Association of Testing Authorities (NATA), ensures laboratories meet international standards for testing and calibration.

RestSUPPORT™

Made with Titanium alloy for extra strength and long-lasting performance.

A World-Class Legacy in Sleep Innovation

3-Stage Support

Stage 1

The micro-conforming SynerFlex® surface cradles every part of the body.

Stage 2

The upgraded Align Head design senses the body's weight and responds with initial conforming support.

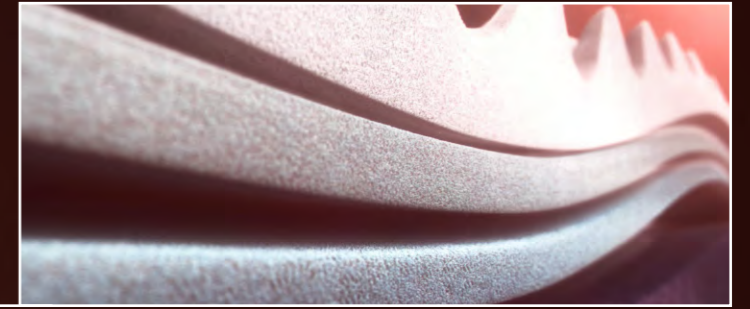

Stage 3

The Posturepedic® innercore is designed to sense the load applied and provide the orthopaedically correct response.

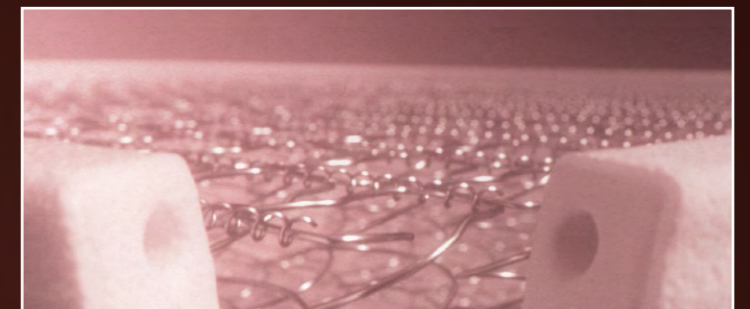

POSTUREPEDI TECHNOLOGY

Inside every **Sealy Posturepedic® Exquisite™** is a unique support system, a network of coils that sense and respond, to align your body in its natural position.

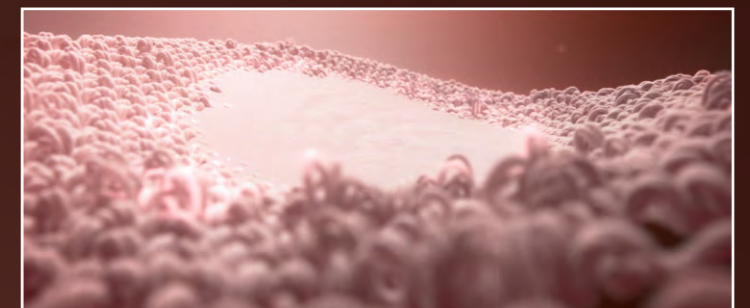

ComfortCore® Plus

A layer of gel-infused visco elastic, which provides superior conformance and alignment to your lower back, where it's needed the most.

Reinforced UniCased® XT

Four walls of extra reinforced edge around the coil system provide a fuller sleep surface and support right to the very edge of the mattress.

SmarTex® & Ice-Touch™

Wicks away moisture to enable it to rapidly evaporate, giving you a comfortable sleeping environment throughout the night. Combined: You'll also sleep up to 4° cooler.

Designed to Inspire

Designed with only the best materials and enhanced with the right technologies, you can rest assured that when you sleep on Sealy Posturepedic® Exquisite™ after a long busy day and drift into a perfect night's sleep.

When exceptional quality makes itself present, choose perfection today.

Sleep First Class™
